

Challenge 1 - Review Card

- Do you sometimes find it difficult to be understood on social media?
- Do you do anything in particular to ensure that your message comes across correctly on social media?
- Do you find yourself observing what others do on social media and replicating it (for example use of emojis, GIFs, hashtags or other ways of relating to others)?
- Do you sometimes feel puzzled about what others mean on social media?
- Have you had similar or different experiences to those of our participants?
